Welcome to the 25th EURL-*Salmonella* workshop 2020

Kirsten Mooijman

Welcome to the first online EURL-*Salmonella* workshop!

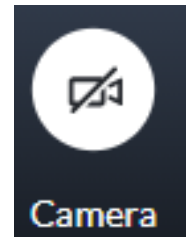

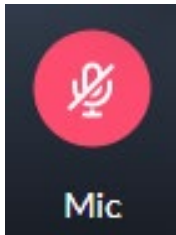

Guidelines during online meeting

We are with **75 participants** in this online meeting!

Please respect the guidelines:

- Preferably **use a headset** to prevent an echo in the sound.
- **Mute your microphone.** Only switch it on when giving a presentation and during discussions when needed.
- **Turn off your camera.** Only switch it on when giving a presentation.
- Post **questions in the chat** (during the presentation)
– directed to everybody.

Information online EURL-*Salmonella* workshop 2020

- **Access** details differ per meeting day.
- You can remain connected during the **breaks**.
- We prefer not to share the screen with others to avoid technical problems.
- We will **record** the meeting and we will **save the chat** – only for own use to prepare a summary of the discussions in a report. The recording and the chat will not be made public.
- **Presentations** (as pdf) will be published at www.eurlsalmonella.eu in coming week(s) – if allowed by the speaker.
- Slides with photos for the roll call of participants will not be published at the website.
- Only the group picture, prepared from the individual photos, will be published at the website – if allowed by the participants.

Remarks in evaluation workshop 2019

- Great integration of scientific talks, EURL updates and quality summaries.
- If possible, more technical presentations.
- Proficiency Testing results to be presented on the second day of the workshop.
- Not clear if we have access to the presentations or the report – it would be good to specify this at the beginning of the meeting.
- More case studies, practical things in routine work, in order to improve existing work.
