Welcome to the 26th EURL-*Salmonella* workshop 2021 Online

Kirsten Mooijman

Welcome to the second online EURL-*Salmonella* workshop!

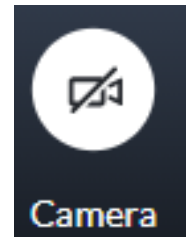

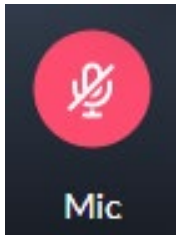

Guidelines during online meeting

We are with **75 participants** in this online meeting!

Please respect the guidelines:

- Preferably **use a headset** to prevent an echo in the sound.
- **Mute your microphone.** Only switch it on when giving a presentation and during discussions when needed.
- **Turn off your camera.** Only switch it on when giving a presentation.
- Post **questions in the chat** – directed to everybody.
Post the (full) question or indicate 'floor please'

Information online EURL-*Salmonella* workshop 2021

- You can remain connected during the **breaks**.
- We prefer not to share the screen with others to avoid technical problems.
- We will **record** the meeting and we will **save the chat** – only for own use to prepare a summary of the discussions in a report. The recording and the chat will not be made public.
- **Presentations** (as pdf) will be published at www.eurlsalmonella.eu in coming week(s) – if allowed by the speaker.
- Slides with photos for the roll call of participants will not be published at the website.
- Only the group picture, prepared from the individual photos, will be published at the website – if allowed by the participants.

Is online workshop good alternative for physical?

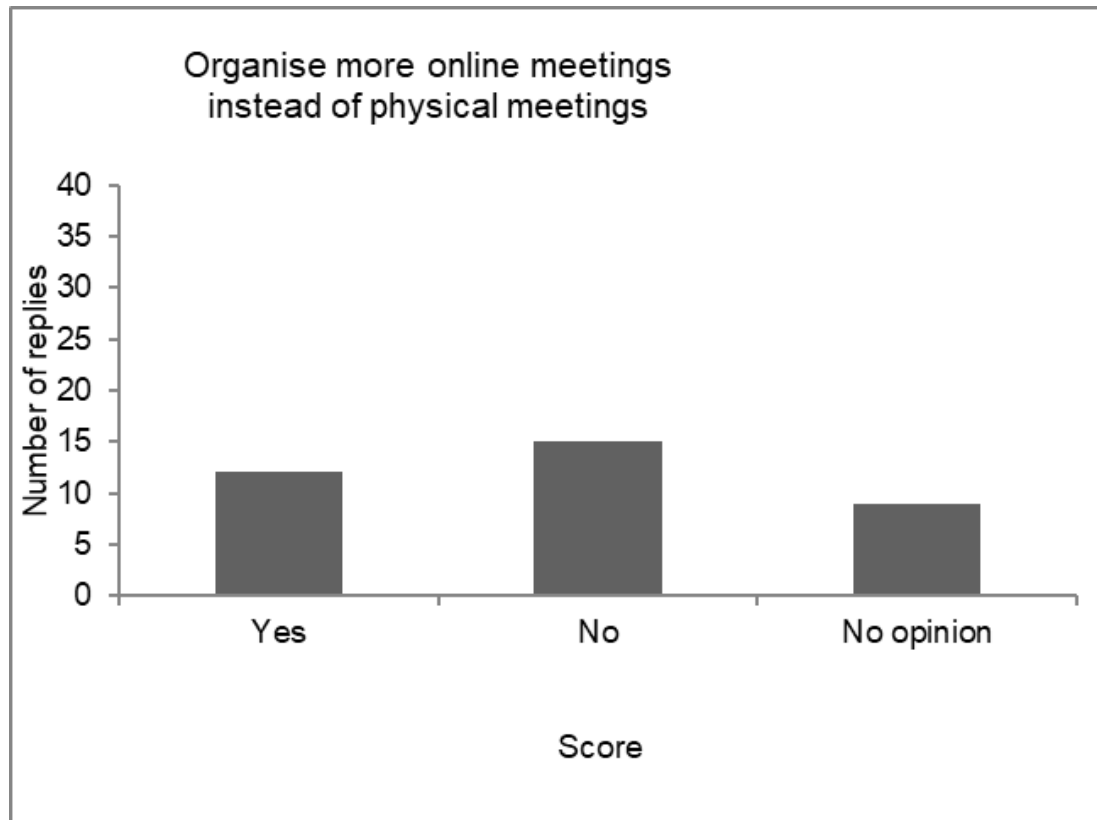

Remarks:

- 'Opportunity for people of multi-disciplines to participate.'
- 'Physical meetings provide opportunity for networking, online workshops only provides scientific knowledge.'
- 'It was very good, but physical meetings are better.'
- 'Consider to organise online workshop every 2 years.'
- 'Yes, in case a physical meeting is not possible.'

Organise more online meetings instead of physical?

Remarks:

'Every other meeting could be an online version – saves time, money and CO₂.'

'Not as alternative for the annual workshop.'

'Only in addition to one physical workshop/year.'

'Physical meetings are important for exchanging experiences and opinions face to face with colleagues.'

Remarks/suggestions for future workshops

- 'The quiz was a great idea.'
- 'Consider to organise the workshop as an online meeting every two/three years. Also, it would be very helpful if participants who can't attend (physically) would have the chance to participate online.'
- 'The program was great. I will be happy though to hear the single NRL presentations again in one of the next meetings.'
- 'It is important for me to see the speakers when they are giving presentations, helps you get the message better.'
- 'Colleagues, especially English colleagues, should speak more slowly, in order to better follow the message. Otherwise, everything worked very well.'
