Ministry of Health, Welfare and Sport

Welcome to the 27th and 3rd online *EURL-Salmonella* workshop 2022

Kirsten Mooijman

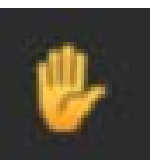

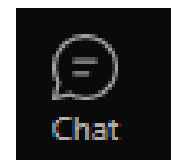

Co-funded by the
European Union

Guidelines during online meeting

- We are with approx. **100 participants** in this online meeting!
- **Mute your microphone.** Only switch it on when giving a presentation and during discussions when needed.
- **Turn off your camera.** Only switch it on when giving a presentation.
- Post **questions in the chat** – directed to everybody. Post the (full) question or indicate ‘floor please’; or ‘Raise hand’ (button ‘Reactions’).

Information EURL-*Salmonella* workshop 2022

- › You can remain connected during the **breaks**.
- › We prefer not to share the screen with others to avoid technical problems.
- › Presenters can 'request control' to switch to the next slide themselves or ask Robin to do so.
- › We will **record** the meeting and we will **save the chat** – only for own use to prepare a summary of the discussions in a report. The recording and the chat will not be made public.
- › **Presentations** (as pdf) will be published at www.eurlsalmonella.eu in coming week(s) – if allowed by the speaker.
- › Slides with photos for the roll call of participants will not be published at the website.
- › Only the group picture, prepared from the individual photos, will be published at the website – if allowed by the participants.

Introduction participants

Evaluation EURL-Salmonella online workshops 2020 - 2021

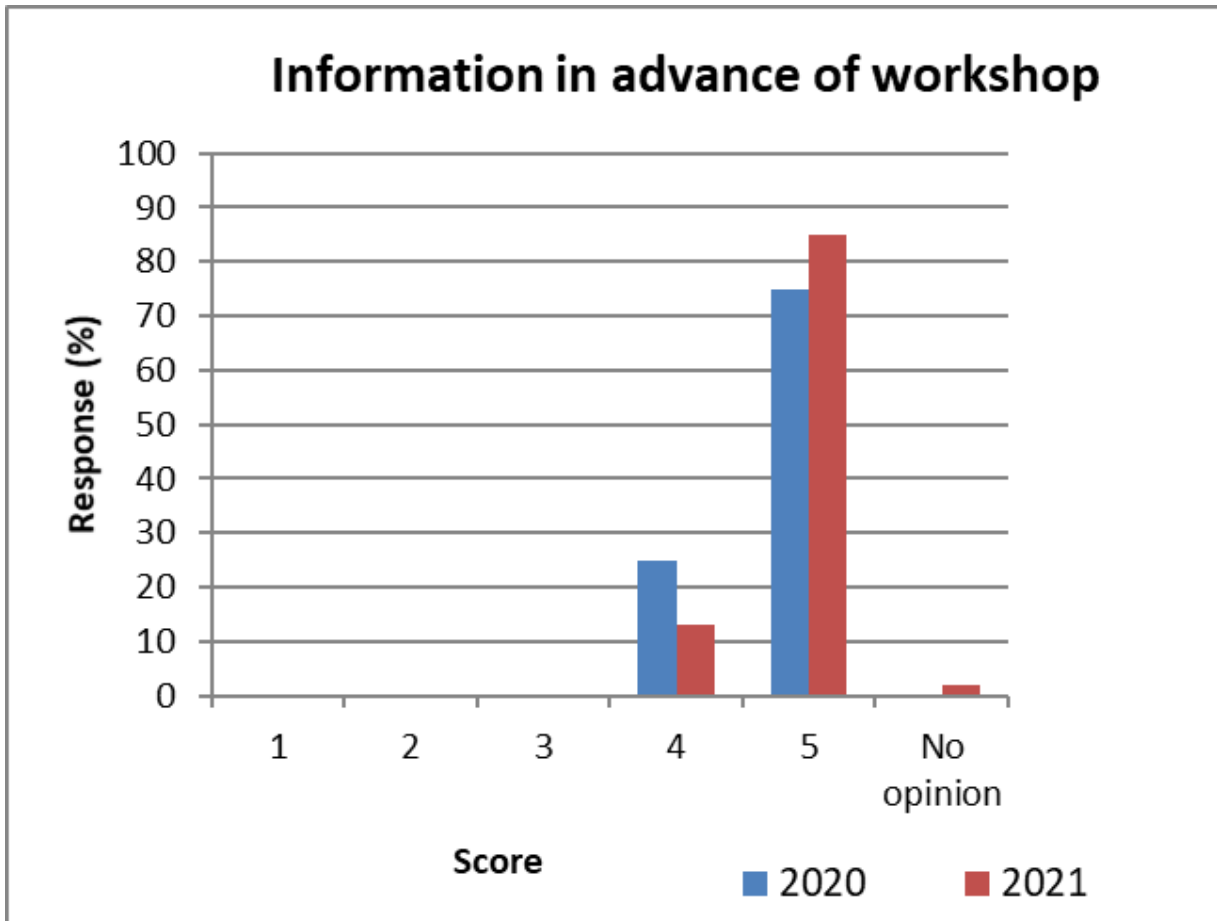

Evaluation online workshops 2020-2021

	2019 (physical)	2020 (online)	2021 (online)
No of participants	51	74	74
No of completed evaluation forms	41	36	48
Response rate (excluding EURL-staff)	41/47= 87%	36/68= 53%	48/66= 73%

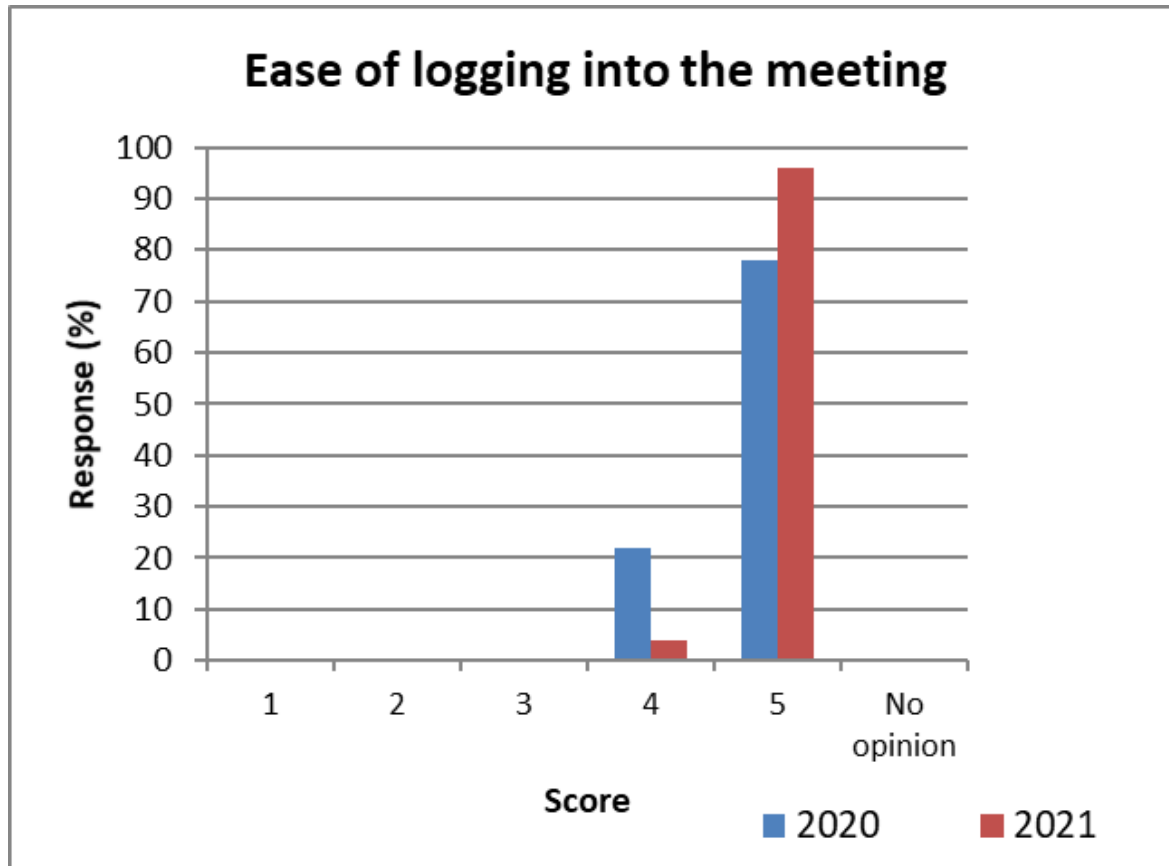

Opinion on information given in advance

Scores:
1: very poor
2: poor
3: fair
4: good
5: very good

Ease logging into the meeting

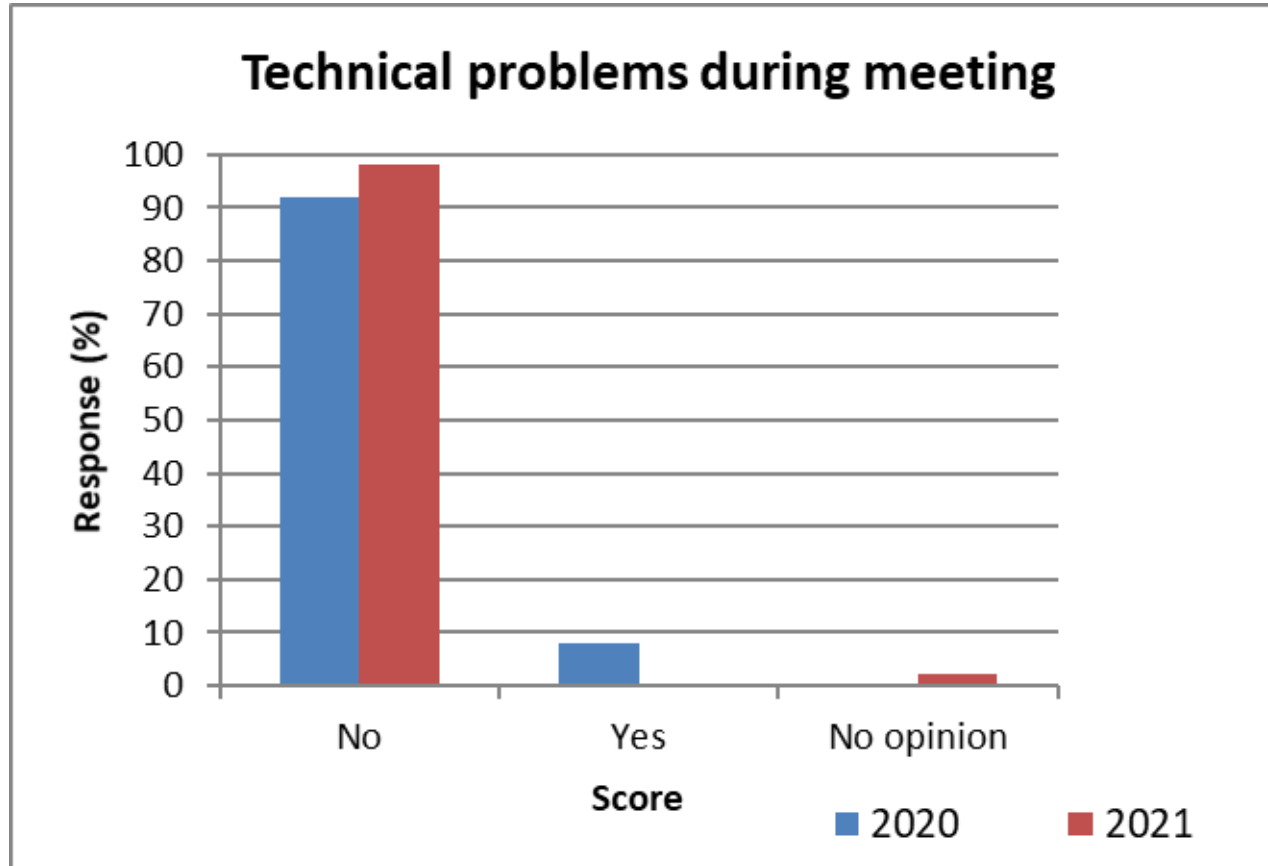

Scores:
1: very poor
2: poor
3: fair
4: good
5: very good

Remark:
'GoToMeeting is best platform for holding virtual meetings and worked well.'

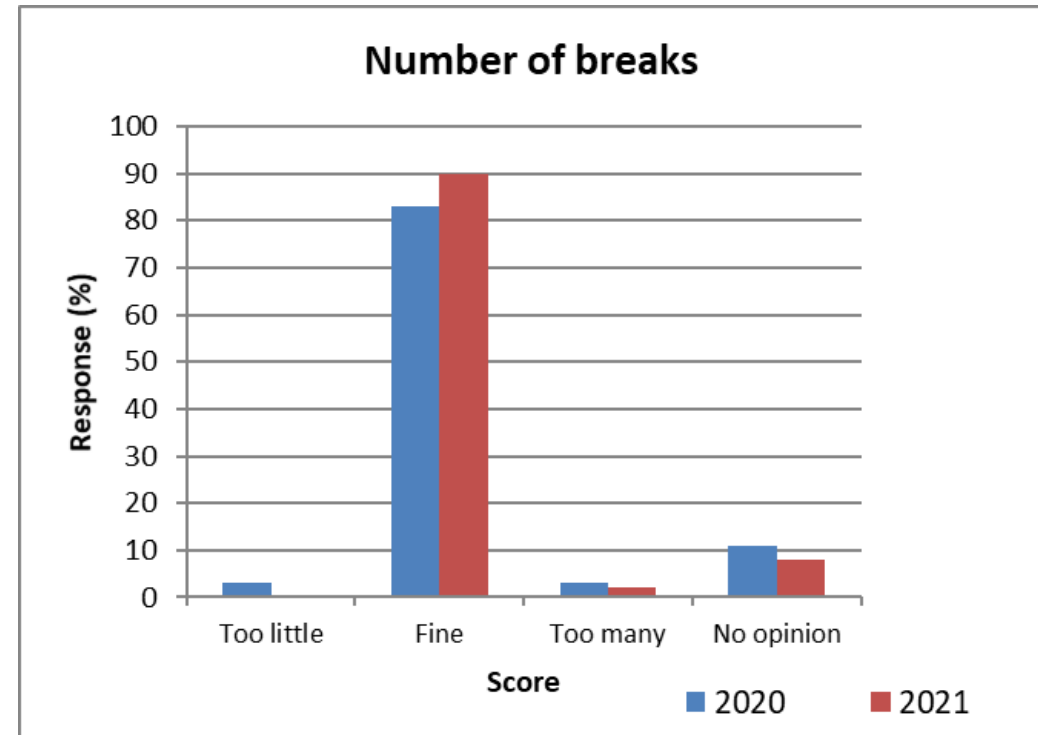

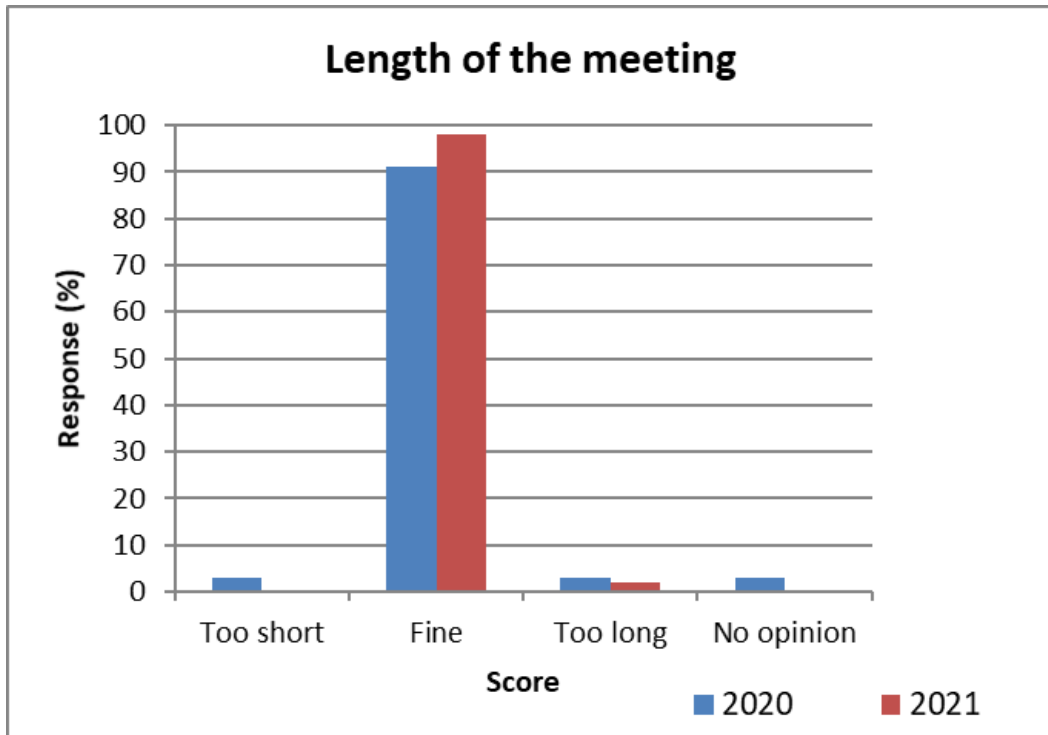

Did you face technical problems?

Remarks (2020):
'loss of internet.'
'problems with sound and image (shortly).'
'little problems with audio.'

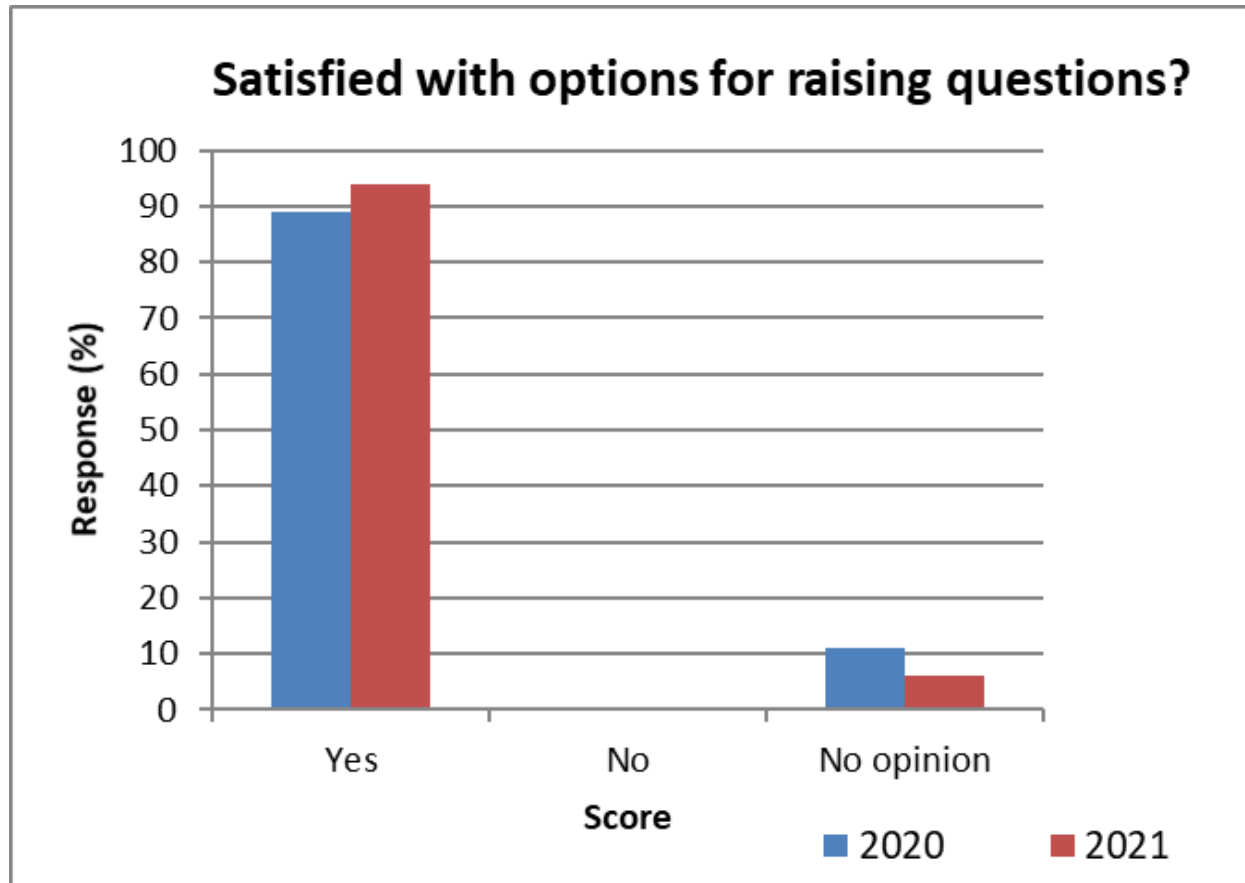

Opinion on length of meeting and no. of breaks

Remarks: 'Well-planned meeting'; 'Friday is not the best option'; 'I would prefer a meeting with two half-days'

Satisfied with options for raising questions?

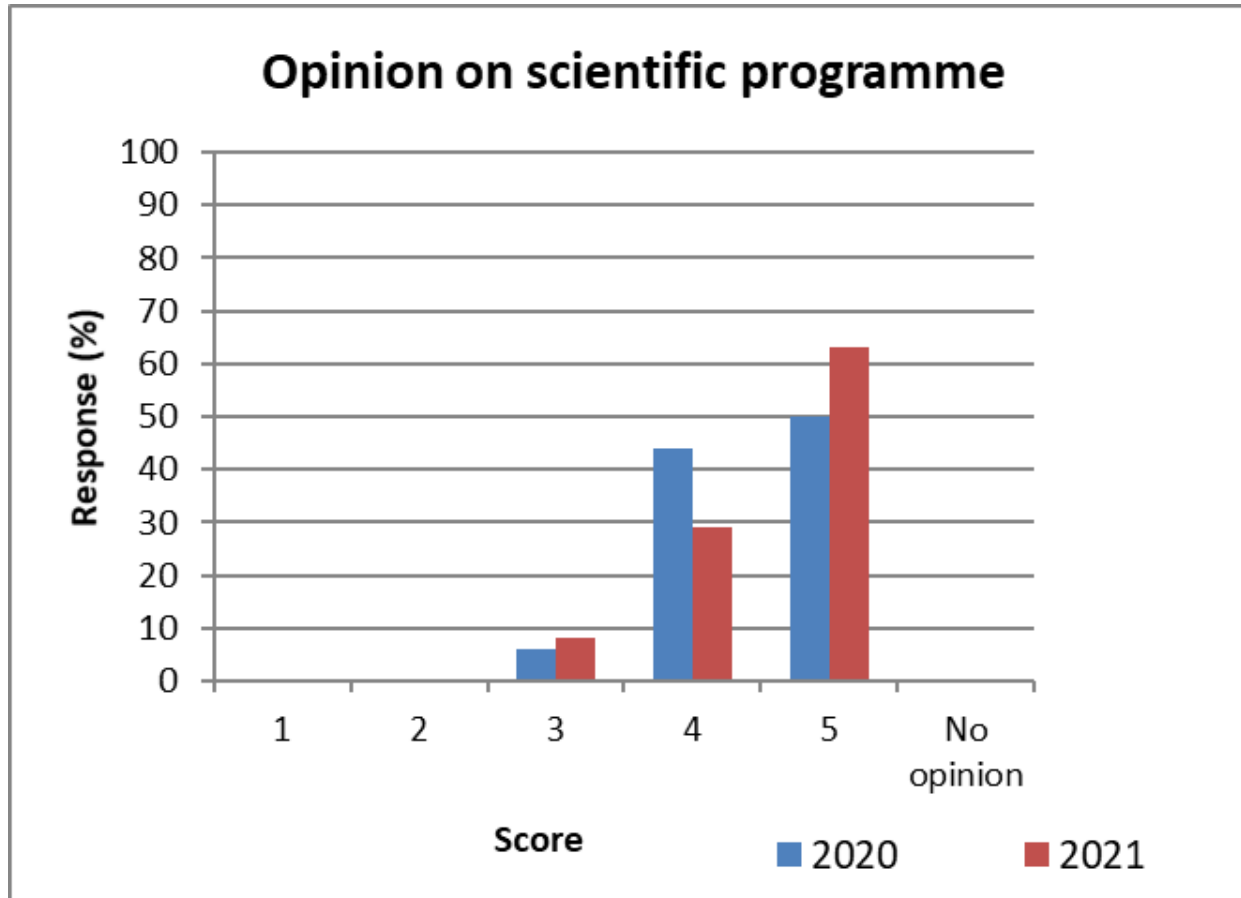

Remarks (2020):

'Discussion was fairly poor – but only normal for online meeting.'

'Instead of typing the question in the chat, one could give a sign for a question (in the chat) and pose the question orally.'

Opinion on the scientific programme

Scores:

1: very poor

2: poor

3: fair

4: good

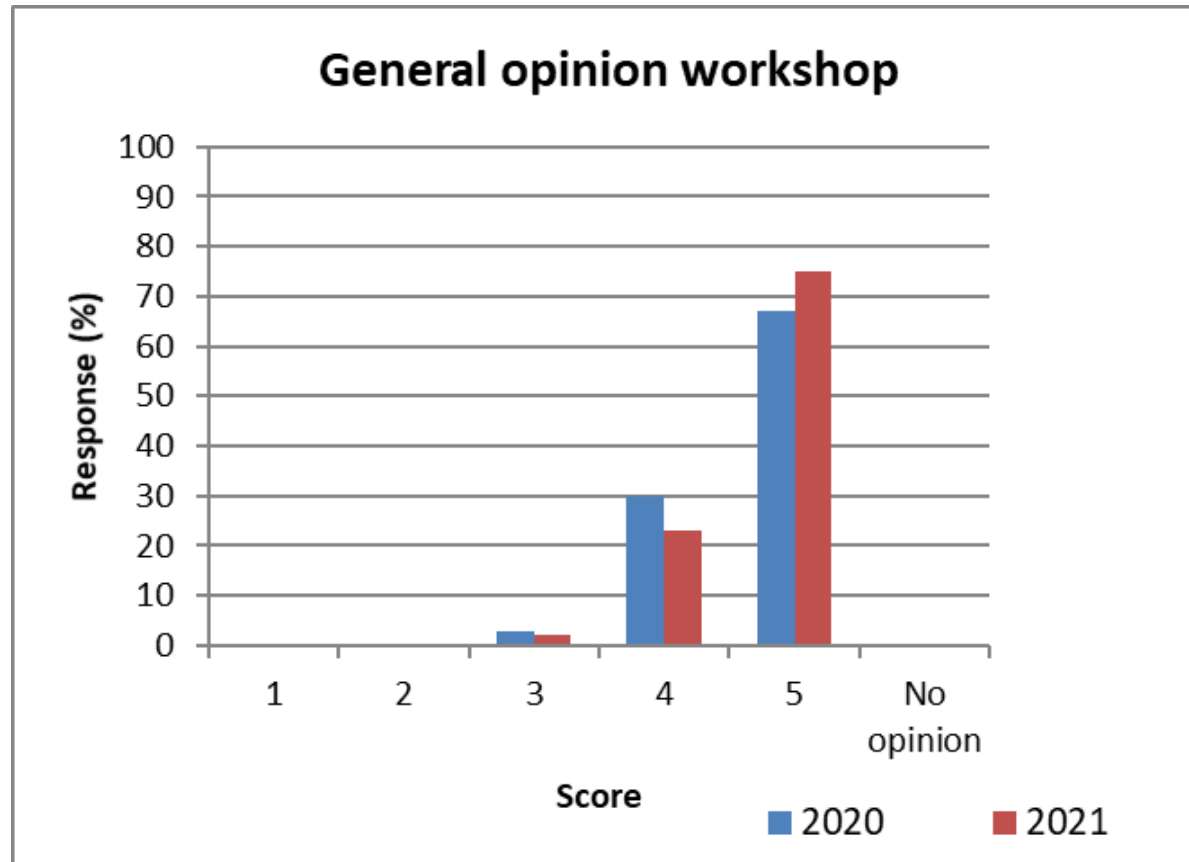

5: very good

Remark:

'all talks were of relevance.'

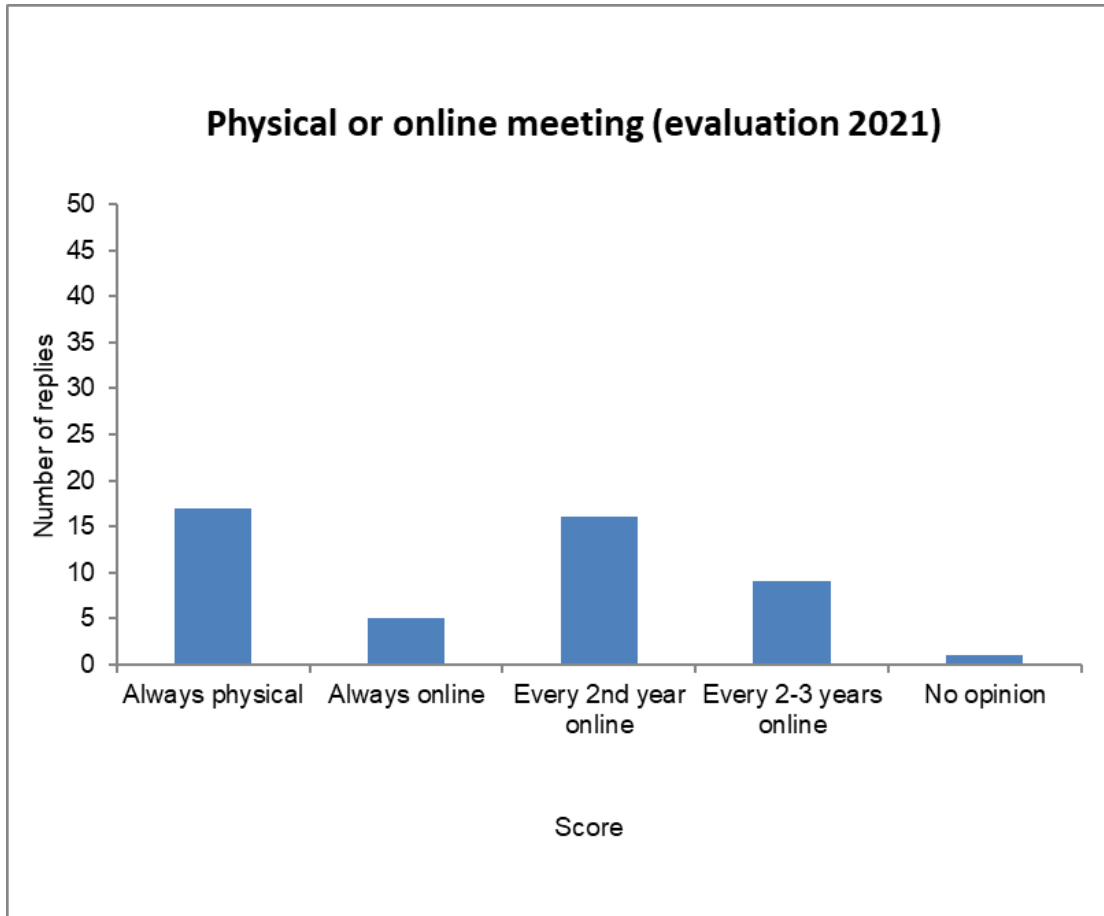

General opinion of the workshop

Scores:
1: very poor
2: poor
3: fair
4: good
5: very good

Would you prefer a physical or an online workshop?

Remarks:

'If feasible, offer online broadcasting to physical meeting.'

'I suggest a hybrid model: physical meeting with 1 representative per NRL plus option to join online.'

'I would prefer to always organise a physical meeting, with option to participate online.'

'Physical meetings promote cooperation and better understanding of topics presented. Keep online option for some special circumstances.'

Remarks/suggestions for future workshops

- > 'Very nice program, I liked that it was broad and that different NRLs presented their work.'
- > 'GoToMeeting worked perfectly. Well done to all participants and keep it up for next year's workshop.'
- > 'Keep up the good work.'
- > 'Now that we have so many online meetings, it is difficult to concentrate a whole day at an online meeting. Two half days would be a better option.'
